Battery Installation (First Use):

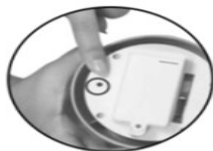

1. Open the lid.

2. Unscrew the battery compartment.

3. Install 2 x 'AAA' batteries into the compartment.

4. Press the reset button.

5. Insert coins into the slot.

Using the Counter:

The counter will count pennies, nickels, dimes, quarters, half-dollars, and dollar coins in US currency.

Once you have removed the coins, press the reset button to clear the count.

Permanent Memory:

If the batteries are low or run out, you can change the batteries and the counter will retain its count. The counter will only reset to zero if you hit the reset button.
