

# Instruction Manual for Golf Pro Caddy Kit

## Included in the kit:

1. Multi tool: cleat brush, spike cleaner, divot tool, magnetic ball marker, and stroke counter
2. Two-ball holder with belt clip
3. Tee holder with belt loop
4. Five silver tees

## Instructions for Use:

1. Vigorously brush cleats with cleat brush on multi tool to clear caked-on mud, grass, or other debris from cleats of shoes.
2. Scrape spikes with spike cleaner to clear debris from shoe spikes.
3. Gently insert divot tool into divot mark and lift to restore ground.
4. Use thumb or finger to click stroke counter after each stroke.
