

# Instruction Manual for Tabletop Air Hockey

## Attaching Scorekeepers

1. Remove the two scorekeepers from the plastic bags and place on each end of the air hockey table.
2. Make sure to line up the pre-drilled holes on the air hockey table and the scorekeepers.
3. Screws and a screwdriver are provided. Four screws are required to set up the scorekeepers.

## Battery Installation

1. The battery compartment is located on the bottom of the air hockey table next to the power button.
2. Use the provided screwdriver to loosen the compartment lid and lift to remove.
3. Insert 8 'AA' batteries (not included) into the compartment according to indicated polarity.
4. Screw the compartment lid back on with the provided screwdriver.

## Operation

1. Switch the power button located on the bottom of the table to "ON" to start the wind mechanism.
2. Two pucks and two mallets are provided for your enjoyment.
3. When you or an opponent sinks a shot into the hole on the scorekeeper, move the scorekeeper to track your points.
